The music's loud it's drowning you out
It's what the bottles failed to do
You fight the currents well
But the swells are getting stronger
And you cant hold on much longer
Give up, (Give up) Give in, Sink into me

The water in your lungs, makes it hard to apologize
So maybe you were wrong. And maybe I was right

Maybe if I wrote this song
So beautiful it could make you cry
Maybe laugh or maybe smile
Maybe I could part the sea you're drowning in
Maybe I could make you proud, so proud

You make me out to be the monster
But it doesn't have to be this way
If I hear you say the words
And you really mean them
Now the black skies turn to blue
The storm now calms for you
For me, For me, For us, For us
Its never easy

Maybe if I wrote this song
So beautiful it could make you cry
Maybe laugh or maybe smile
Maybe I could part the sea you're drowning in
Maybe I could make you proud, so proud, so proud

Maybe if I wrote this song
So beautiful it could make you cry
Maybe laugh or maybe smile
Maybe I could part the sea you're drowning in
Maybe I could make you proud, so proud
