Once you said you'd stick 'till the end  
I guess you lied, call it suicide  
Now you're gone  
What was so wrong that you couldn't find a way to carry  
on?  
Second guess  
Did I do my best?  
There was a friend I had  
Johnny was a weirdo so what did you expect?  
I ain't no fucking hero  
I'm just trying to survive myself

I should have known you went through it alone  
I wonder why didn't you even try  
You could have come to me  
I would have helped you see  
You could have found a way to carry on  
Second guess  
Did I do my best?  
I was a friend I had...  
Johnny was a weirdo so what did you expect?  
I ain't no fucking hero  
I'm just trying to survive myself  
Johnny's strange behaviour was a tip-off, they say  
But I ain't no fucking savior  
I'm just living day by day

Little things, little lives hanging 'til the end  
I say, "It don't really mean nothing"

Telling truth, telling lies  
I used to have a friend  
I say, "It don't really mean nothing"

Yeah, let this feeling go, let this feeling go, let this  
feeling go  
Let this, let it go

Once you said you'd stick 'till the end  
I guess you lied, call it suicide  
Now you're gone

What was so wrong that you couldn't find a way to carry  
on?  
Second guess  
Did I do my best?  
There was a friend I had  
Johnny was a weirdo so what did you expect?  
I ain't a fucking hero  
I'm just trying to survive myself  
Johnny's strange behaviour was a tip-off, they say  
But I ain't no fucking savior  
I'm just living day by day
