I'll always love my mama
She's my favorite girl
I'll always love my mama
She brought me in this world

Sometimes I feel so bad
When I think of all the things I used to do
How mama used to clean somebody else's house
Just to buy me a new pair shoes

I never understood how mama made it through the
week
When she never, ever got a good night's sleep

Talking 'bout mama
Oh, she's one of a kind
Talking 'bout mama
You've got your yours, and I've got mine
Talking 'bout mama
Oh, hey mama, hey mama, my heart belongs to you,
oh, yeah

I'll always love my mama
She's my favorite girl
You only get one, you only get one, yeah
I'll always love my mama
She brought me in this world

Mmm, a mother's love is so special
It's something that can't you can't describe
It's the kind of love that stays with you
Until the day you die

She taught me little things
Like saying 'Hello' and 'Thank you, please'
While scrubbing those floors on her bended knees

Talking 'bout mama
Oh, she's one of a kind
Talking 'bout mama
You've got your yours and I've got mine

Talking 'bout mama
Oh, hey mama, hey mama, my heart belongs to you,
oh, yeah

I'll always love my mama, yeah
She's my favorite girl
Only get one, you one get one, yeah
I'll always love my mama
She brought me in this world
Mmm, I'm talking 'bout mama
I'll always love my mama
Sweet old mama
I'll always love my mama
Used to scrub the floors
I'll always love my mama
On her hands and knees
I'll always love my mama
Used to get a little rough, sometimes
I'll always love my mama
Poor old mama
I'll always love my mama
Hey, sweet old mama
I'll always love my mama
Said, I love you, I love ya, I love ya, mama
I'll always love my mama
Hey, yeah

Hey, Phil?
What?
Do you remember when we used to gang walk, baby?
Man, was we crazy
Yeah, man 'ticularly when we met, the other fellas,
You know, Little Sony?
And drinking that wine, remember, in the school yard
days?
Yeah
We had to take you home, man, you was out of it
Oh, many, various days, lord have mercy
Hey, but listen
Yeah
Remember, uh, when we used to run around there
Steal the hubcaps off the cars, you know?
What you talking 'bout, and batteries?
We lucky we ain't get busted, man
Ya say
Then, I say here comes the fuzz
Hey, Bird, what color was you from in them days?
The tend to last
Tend to last?
Ah, p'
Oh man

But dig this here
Yeah
Now, see, when all that gang warrin' was goin' on
I'll tell you one thing I'll never forget
Hey, what's that
See, when I got home, the first thing I would hear is
What?
'Phil, where you been boy! '
That's it, that's it, ha, yeah, that's mama, mama
Exactly, say it
Hey, man
I say: 'I was out with Sonny, Bird, and little Sonny'
Puttin' it all on us
I had to put it on somebody
Hey, Phil, what your mama say?
She said, 'boy, now I'm'a tell ya'
What?
What she say?
'You know you gettin' big now'
Yeah
'You gotta watch the things that you doin' out in that
street'
That's right, 's right
And then go to jail
That's right, 's right
And, I'm'a tell ya something man, mama wasn't wrong
No
But what about pop?
Ah, we ain't talking about pop
No, man, pop
He was
He was alright
Pop was not a bad man
Pop, pop was hangin' out, you know
Yeah, hangin' out
I think pop was drinkin' more wine than we used to
I know my pop did
Yeah, and then
My pop hung right along with ya boy
Yeah, stay out all night, come home,
Clothes all wrinkled up, lip sauce all over
Hey, Sonny
Huh?
How about when your mom used to cooked those good
home cooked biscuits
Oooh
Usta with the greens?
Ah man
Hey
Boy, your mama sure cooked, Bird, huh?
Mama

She's my baby girl
Hey, we're talking about mama
I'll always love my mama
Mama, hey
She brought me in this world
Mama, mama, mama, hey, hey, mama, I love you
mama
I'll always love my mama
Say we all love you mama
I'll always love my mama
We remember those good old days
I'll always love my mama
Hey mama, mama, mama, mama
I'll always love my mama
Talking about mama
I'll always love my mama
I said, I love you mama
I'll always love my mama
Say, we all love you mama
