Time and time again  
Minded out my past  
Damn its so familiar  
That they hardly ever last  
Now they tried tellin' me  
Messed up on my mind  
Called and saved my pain  
Got the ones you'll never find

Its all right  
Its all right  
Its all right  
Its all right  
Its all right  
We can play chess all night  
Its all right  
We can play chess all night

Tell me that Im all right  
Tell me  
Tell me that Im all right  
Tell me  
Tell me that Im all right  
Tell me  
Tell me
