well it's all been decided,
and you're not to blame,
i control my anger,
i control everything,

moving, slowly,
moving slowly,
i come forward,

everyone's in love,
with the person i once was,
kiss me i'll reveal,
what i did,

it's been one lousy evening,
i can't take this feeling,
so you will take the car keys and the kid

and i'll grow up,
if you grow up,
and we'll drink till we throw up,
pour black coffee in my cup,
when i show up,

well it's all been decided,
and theirs no one left to blame,
i control my laughter,
i control everything,

moving, slowly,
talking to myself,
i'm lonely,

everyone's in love,
with the person i once was,
so kiss me and i'll tell,
what i did,

one more lousy evening,
well i can't take this feeling,
so you will take the car keys and the kid,

and i'll grow up,
if you grow up,
and we'll drink till we throw up,
pour black coffee in my cup,
when i show up,

moving, slowly,
talking to myself,
i'm lonely,

everyone's in love,
with the person i once was,
so kiss me i'll reveal,
what i did,

it's been one lousy evening,
well i can't take this feeling,
so you will take the car keys and the kid,

and i'll grow up,
when you grow up,
and we'll drink till we throw up,
pour black coffee in my cup,
when the band starts to shows up,
thats when everything grows up
