Been cheated, been used
Been lied to, been bruised
But with you I forget everything
Never believed there was love
Now I just can't get enough
I'm with you, is this really happening
You're hand in mine
We'll find our fairytale tonight

It's like Romeo and Juliet
Snow White found her happiness
So why can't we be too
Cinderella's prince has come
And she's been waiting
I'm standing here for the taking
Hoping that my fairytale
Will come true tonight

I'm wondered amazed
My heart is ablaze
Yeah, you were worth the previous pain
I'm your princess
You're my knight
Couldn't leave you if I tried
Yeah, you are driving me insane
No running this time
I've found my fairytale tonight

It's like Romeo and Juliet
Snow White found her happiness
So why can't we be too
Cinderella's prince has come
And she's been waiting
I'm standing here for the taking
Hoping that my fairytale
Will come true tonight

If I died here
Would you die with me
Or would you cower
Could you survive without me
If I lied here

Drowning in my tears
Would you hold me
Until everything disappears

Weâ€™ll be like Romeo and Juliet
Iâ€™ve finally found my happiness
And itâ€™s a magical midnight
Iâ€™m no longer a girl in waiting
Kiss me now â€” no hesitating
Never wanna say goodbye
Thatâ€™s my fairytale tonight
