Okay  
Ya, ya, ya, ya, ya

Day after day your home life's a wreck  
The powers that be just breathe down your neck  
You get no respect, you get no relief  
You gotta speak up and yell out your piece

So back off your rules, back off your jive  
'Cause I'm sick of not living to stay alive  
Leave me alone, I'm not asking a lot  
I just don't want to be controlled  
That's all I want, that's all I want  
That's all I want, that's all I want

Ya, ya, ya, ya, ya

How many times is it gonna take  
Till someone around you hears what you say  
You've tried being cool, you feel like a lie

You've played by their rules, now it's their turn to try

So back off your rules, back off your jive  
'Cause I'm sick of not living to stay alive  
Leave me alone, I'm not asking a lot  
I just don't want to be controlled  
That's all I want, that's all I want  
That's all I want, that's all I want

I said it before  
I'll say it again  
If you could just listen  
Then it might make sense

So back off your rules, back off your jive  
'Cause I'm sick of not living to stay alive  
Leave me alone, I'm not asking a lot  
I just don't want to be controlled  
That's all I want, that's all I want  
That's all I want

Ya, ya, ya, ya, ya
