Sometimes I think I'm gonna drown
'Cause everyone around's so hollow
I'm alone
Sometimes I think I'm going down
And no one makes a sound
They follow and I'm alone

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah, if I make it, I'd be amazed
Just to find tomorrow
Yeah, one more day and I'd be amazed
Just to see it waiting

Yeah and if I make it, I'm still alone
No more hope for better days
And if I could change
Then I'd really be amazed

And when you know you can't relate
To one more shiny face
Your heart breaks, no one cares
And when you know you can't go on
'Cause everything is wrong
Your heart breaks but no one's there

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah, if I make it, I'd be amazed
Just to find tomorrow
Yeah, one more day and I'd be amazed
Just to see it waiting

Yeah and if I make it, I'm still alone
No more hope for better days
And if I could change
Then I'd really be amazed

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah, if I make it, I'd be amazed
Just to find tomorrow
Yeah, one more day and I'd be amazed
Just to see it waiting

Yeah and if I make it, I'm still alone
No more hope for better days
And if I could change
Then I'd really be amazed
