I hate a lot of things
I hate a lot of people that are lame
I like to hate stuff
'Cause then I don't have to try to make a change
I hate teachers
I hate school
I hate the cheerleaders
And anyone who's cool, yea
I hate the office
I hate the quad
Don't wanna learn nothin'
I want to be a slob

It's cool to hate
(Hey, ooh, ooh)
It's cool to hate
Don't like nothin' and I like that fine
It's cool to hate
(Hey, ooh, ooh)
It's cool to hate

Don't like nothin' and I like that fine
Don't like nothin' and I like that fine
Yea, I hate everythin'
I even hate you too
So fuck you

I'm always thinkin' bad
I never have nothin' good to say
I'd rather tear things down
Than build them up
It's easier that way
I hate the jocks
And I hate the geeks
I hate the trendies
But I also hate the freaks, yea
I hate Doc Martens
And Muscle Ts'
I'm only happy when I'm in my misery

It's cool to hate
(Hey, ooh, ooh)

It's cool to hate
Likin' somethin's just a waste of time
It's cool to hate
(Hey, ooh, ooh)
It's cool to hate

Likin' somethin's just a waste of time
Likin' somethin's just a waste of time
Yea, I hate everythin'
I even hate me too
So fuck you

Hey, hey, hey
It's cool to hate
It's cool to hate
It's cool to hate
It's cool to hate

Cut you down and give you lip
Bein' positive's so unhip
Cut you down 'cause I'm a fool
Bein' positive's so uncool
Bein' positive's so uncool
Bein' positive's so uncool

So, I hate the jocks
And I hate the geeks
I hate the trendies
But I also hate the freaks, yea
I hate your band
And I hate TV
I'm only happy when I'm in my misery

It's cool to hate
(Hey, ooh, ooh)
It's cool to hate
Don't like nothin' and I like that fine
It's cool to hate
(Hey, ooh, ooh)
It's cool to hate

Don't like nothin' and I like that fine
Don't like nothin' and I like that fine
Yea, I hate everythin'
I even hate you too
So fuck you
