Our lives run different ways  
Through the rain, I see you in the sun  
Our star shines anyway  
If you wish upon it, we are one

Dog eat dog everyday  
On our [Incomprehensible] memory play  
Dog eat dog to get by  
Hope you like my genocide

I find it such a shame  
Through the pain, I see things as they are  
We're served up on a plate  
The pedestal is high enough to fall

And if in time  
We can see the errors of our ways  
Would anyone change it anyhow?  
Our time is up

Dog eat dog everyday  
On our [Incomprehensible] memory play  
Dog eat dog to get by

Hope you like my genocide

Dog eat dog everyday  
On our [Incomprehensible] memory play  
Dog eat dog to get by  
Hope you like my genocide

I bet you'd only run if you saw  
What goes inside our own  
I bet you'd lead the way  
If it were up to you to decide, but it's not

Dog eat dog everyday  
On our [Incomprehensible] memory play  
Dog eat dog to get by  
Hope you like my genocide

Dog eat dog everyday

On our [Incomprehensible] memory play  
Dog eat dog to get by  
Hope you like my genocide

Like solar blades, like suicide  
[Incomprehensible]

I specially enjoyed that one  
Lets see what's next
