If you could only read my mind
You would know that things between us, ain't right
I know your arms are open wide
Sure you're a little on the straight side, I can't lie
You're one vice is you're too nice
Come around now, can you see?

I want you, all tattooed
I want you bad
Complete me, mistreat me
Want you to be bad, bad, bad, bad, bad

If you could only read my mind
You would know that I've been waiting, so long
Someone almost just like you
But with attitude I'm waiting, so come on
Get out of clothes time, grow out those highlights
Come around now, can you see?

I want you, in a vinyl suit
I want you bad
Complicated, X rated
I want you bad, bad, bad, bad, bad, bad

Don't get me wrong
I know you're only being good
But that's what's wrong
I guess I just misunderstood
Go

I want you, all tattooed
I want you bad
Complicated, X rated
I want you bad, I mean it, I need it
I want you bad, bad, bad, bad, bad, bad
Really, really bad
