There was a time
Lookin' through myself
Wanted to pretend
If I escaped, I could feel myself
I don't think you can
Been far and wide
But that hole inside
Never really leaves
I went away
But I really lost
Left behind was me

Install in me
Clear me on my way

Ohhh oh oh oh
(Ohh oh oh, ohh oh oh)
Million miles away
(Ohh oh oh, ohh oh oh)
Million miles away
I can't stay
I can't stay
(Ohh oh oh, ohh oh oh)
Million miles away

Each passin' day
Every passin' face
Seems like such a gloom
I love to be
Home silently
Lysin' next to her
Just to get back
By her side is all
All I need to be
I went away
What I really lost
Left behind was me

I need to be
Gettin' on my way

Ohhh oh oh oh

(Ohh oh oh, ohh oh oh)
Million miles away
(Ohh oh oh, ohh oh oh)
Million miles away
I can't take
I can't take
(Ohh oh oh, ohh oh oh)
Million miles away

Install in me
Turn me on my way

Ohhh oh oh oh
I can't take, I can't take
(Million miles away)
I can't take, I can't take
(Million miles away)
I can't take, I can't take
(Million miles away)
I can't take, I can't take
(Million miles away)
(Ohh oh oh, ohh oh oh)
I can't take, I can't take
What's there
(Million miles away)
(Ohh oh oh, ohh oh oh)
I can't take, I can't take
You watch out I don't take care again
(Million miles away)
(Ohh oh oh, ohh oh oh)
I can't take, everytime
Every where everytime
(Million miles away)
(Ohh oh oh, ohh oh oh)
I can't take, everytime
[Inaudible]
[Inaudible]
(Million miles away)
