Our generation sees the world  
Not the same as before  
We might as well just throw it all

And live like there's no tomorrow  
There's no tomorrow, there's no tomorrow

We are the ones  
Who are living under the gun every day  
You might be gone before you know

So live like there's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)

Believe it the official view of the world has changed  
In a whole new way  
Live fast 'cause if you don't take it, you'll never make it

So if you understand me  
And if you feel the same  
Then you will know what nitro means

You'll live like there's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow  
(Ain't gonna waste this life)  
There's no tomorrow
