Once you said you'd stick till the end
I guess you lied, they call it suicide
Now you're gone
What was so wrong that you
Couldn't find a way to carry on

Second guess
Did I do my best
There was a friend I had

Johnny was a weirdo
So what did you expect?
I ain't no fucking hero
I'm just trying to survive myself

I should have known you went through it alone
I wonder why didn't you even try
You could have come to me
I would have helped you see
You could have found a way to carry on

Second guess
Did I do my best
I was a friend I had

Johnny was a weirdo
So what did you expect?
I ain't no fucking hero
I'm just trying to survive myself

Johnny's strange behavior
Was a tip-off, they say
But I ain't no fucking savior
I'm just living day by day

Little things, little lives hanging till the end
I say it doesn't really mean nothing

Telling truth, telling lies
I used to have a friend
I say it don't really mean nothing

Can't let this feeling go
Let this feeling go
Let this feeling go
Let this, let it go

Once you said you'd stick till the end
I guess you lied, they call it suicide
Now you're gone
What was so wrong that you
Couldn't find a way to carry on

Second guess
Did I do my best
There was a friend I had

Johnny was a weirdo
So what did you expect?
I ain't no fucking hero
I'm just trying to survive myself

Johnny's strange behavior
Was a tip-off, they say
But I ain't no fucking savior
I'm just living day by day
