"One Fine Day"

If I had a perfect day
I would have it start this way
Open up the fridge and have a tall boy
Yeah
Then I'd meet up with my friends
Head out to the game again
We don't even really care who wins
(Hey)
Wins
(Hey)
One, two, three

Now the time just seems to fly when we're hanging with
the boys
When we're cheering and when no one keeps the score
Now the game is cool to see, you can high five up to
me
Count them running over
One, two, three
Operation is inside and the field is open wide
When you break everything you know you're still alive
And the cops will you make you pay, if you think you'll
get away
Then you know that it's a one fine day
Hey

On the day before was through
We could torch a car or two
Then have ourselves another tall boy
Yeah
Water hoses in the town
That's the real game that's on
I don't really give a shit who wins
(Hey)
Wins
(Hey)
One, two, three

Now the time just seems to fly when we're hanging with
the boys
When we're cheering and when no one keeps the score
Now the game is cool to see, you can high five up to

me
Count them running over
One, two, three
Operation is inside and the field is open wide
When you break everything you know you're still alive
And the cops will you make you pay, if you think you'll
get away
Then you know that it's a one fine day
Hey

I believe it's my God given right
To destroy everything in my sight
'Cause it never gets dull, it never gets old
(Woho)
The only it gets is more bold
(Woho, ho)
Drinkin', fightin', goin' to the game
(Woho, ho, ho)
In our world it's a way to stay sane
(Woho)
If you're askin' me, to have it my way
(Woho, ho)
I'd say that's one fine day
(Woho, ho, ho)

Now the time just seems to fly when we're hanging with
the boys
When we're cheering and when no one keeps the score
Now the game is cool to see, you can high five up to
me
Count them running over
One, two, three
Operation is inside and the field is open wide
When you break everything you know you're still alive
And the cops will you make you pay, if you think you'll
get away
Then you know that it's one fine day, hey
Then you know that it's one fine day
Now
Hey, hey
Hey, hey
