

## Offspring "Original Prankster"

Visit "[Original Prankster](#)" on MotoLyrics.com

(You can do it)  
Until the break of dawn  
Life, life and I quote by the letter  
Time, time, prozac can make it better  
Noise, noise, any kind will do  
Can you feel it slip away, well it's all on you  
(Hey, hey)  
Crime, crime, rockin' like Janet Reno  
Time, time, eighteen and life in Chino  
Void, void, all along it's true  
Well you see the coming day catches up to you, yea

Knock down the walls  
(It's alive in you)  
Knock down the place  
(You're alone it's true)  
Knock down the walls  
(It's alive in you)  
You're gonna keep your head up through it all  
You're gonna bust out on it  
(Original prankster)  
Break out, yea  
(Original yea)  
Bust out, oh, no  
(Original prankster)  
You'll never stop now, stop now  
That's what the main man say

(You can do it)  
You know it smells like shit, goddamn  
Tag team, the double header  
Son of Sam, fire always makes it better  
Navigate with style and a plumb  
'Cos wherever you are at that's the tip, use our  
(Hey)  
Lies, lies, says he's stayin' at the Bahamas  
Tries, tries, and you little hoochy Mamas  
No way, none of this is true  
Well, you see it comin' down when the jokes on you  
(Hey)

Knock down the walls

(It's alive in you)  
Knock down the place  
(You're alone it's true)  
Knock down the walls  
(It's alive with you)  
You're gonna keep your head up through it all  
You're gonna bust out on it  
(Original prankster)  
Break out, yea  
(Original, yea)  
Bust out, oh, no  
(Original prankster)  
You'll never stop now, stop now  
That's what the main man say

(Hey)  
(You can do it)  
Time, time, so cool to see ya  
Nine, nine, don't wanna be ya  
Dime, dime, so cool to see ya  
Nine, nine, don't wanna be ya  
Crime, crime, fine Sinsemilla  
Crime, crime, fine Sinsemilla  
Crime, crime, fine Sinsemilla  
When you see the coming day catches up to you, yea

Knock down the walls  
(It's alive in you)  
Knock down the place  
(You're alone it's true)  
Knock down the walls  
(It's alive in you)  
You're gonna keep your head up through it all  
You're gonna bust out on it  
(Original prankster)  
Break out, yea  
(Original, yea)  
Bust out, oh, no  
(Original prankster)  
You'll never stop now, stop now  
Stop now, stop now  
That's what the main man say
