## "Pay The Man"

See the way the wind blows  
Lives are intertwined  
Watch the way the world goes  
Man deals out our plight

Jester in the corner  
Laughs without a sound  
Jester in the corner  
Malady abounds

In our souls, in our souls  
In our souls

See the way the sun sets  
Twilight of this life  
Man is making little bets  
Playing with our lives

All that I believe  
Now anything is possible  
A simple explanation  
For the evil in this world

In our souls, in our souls  
In our souls, in our souls

Come on down

Come down to sorry and sable  
It's always the man  
It's always that's keeping you down

Bow down 'cause I see it before me  
Shadow and light  
That always keeps you running  
Oh, shut up you talk too much  
Oh pay the man, now yeah  
Oh, shut up you talk too much  
Oh, no

Look at you and your struggle for freedom  
But you ain't nothing

We all pay the man for living

Wouldn't it be nice for a change now  
To be unchained  
My life is for me now

But this is life  
This is life  
This is life  
This is life

Pay the man  
No  
Pay the man  
No  
Pay the man  
No  
It's our life  
No no no

Oh, shut up you talk too much  
Oh, pay the man, now yeah  
Oh, shut up you talk too much  
Oh

Go  
Oh, oh, oh  
No  
Oh  
No no no

Oh, shut up you talk too much  
Oh, pay the man now, yeah

My life is for me, oh oh oh
