Take me for a ride, I'm the one you push aside  
But it's coming back to you, yeah it's coming back to  
you (HEY!)  
One to the sound, take it back and double down  
'Cause it's coming back to you, yeah it's coming back  
to you

Well, ah-ah-ah, well we're pouring gasoline  
So dance around the fire that we once believed in  
Ah-ah-ah, and we'll never be the same now  
Because there's nothing left for us to be  
Give it up the champions of greed  
So come around and have another round on me

DANCE, FUCKER DANCE, LET THAT MOTHERFUCKER  
BURN!

-??- in the grass while you're living in the past  
Saying what you gonna do? Yeah, what you gonna do?  
(HEY!)  
? never learn while we ----- it burns  
And we're coming after you, yeah we're coming after  
you  
Sam Pickens, well he does the right thing and he rides  
the bomb to hell  
Yeah, he rides the bomb to hell  
Watch the ----- after every little sting  
If you're gonna go to hell, drink it up you might aswell

Are you really gonna take it like that?  
Riding on a missile with a cowboy hat

And ah-ah-ah, well the world is gonna end  
So dance around the fire that we once believed in  
Ah-ah-ah, wanna tear it down again now  
Because there's nothing left for us to be  
Give it up the sons of anarchy  
So come around and have another round on me

DANCE, FUCKER DANCE, LET THAT MOTHERFUCKER  
BURN!

Are you really gonna take it like that?  
Riding on a missile with a baseball bat

Well, ah-ah-ah, well we're pouring gasoline  
So dance around the fire that we once believed in  
Ah-ah-ah, and we'll never be the same  
The takers and the liars that we all believed in  
Ah-ah-ah, and we're going down in flames  
So dance around the fire, we're dancing round the fire

Because there's nothing left for us to bleed  
Give it up the champions of greed  
So come around and have another round on me

DANCE, FUCKER DANCE, LET THAT MOTHERFUCKER  
BURN!
