I don't know when it got this way
I don't know how long she's gonna stay
Every week it's the same in her room
And that's why I came

And here I go, I go again
Our rendezvous never seem to end
I know where I'll be, I'll make this confession
Back in her bed for another goddamn

Session, I'll never learn
Session, God knows I try
Session, keep coming back for session and I don't
know why
Session, I'll never learn
Session, I'll never see
Session, just tell me why these sessions got a hold
Gotta gotta hold on me

Some might say, it's a fling
For all I know it don't mean a thing
Either way I can't complain
Ain't no strings, they guess I got it made

And here I go, I go again
Our rendezvous' never seem to end
I know where I'll be, I'll make this confession
Back in her bed for another goddamn session

Session, I'll never learn
Session, God knows I try
Session, keep coming back for session and I don't
know why
Session, I'll never learn
Session, I'll never see
Session, just tell me why these sessions got a hold
Gotta gotta hold on me

And here I go, I go again
Our rendezvous' never seem to end
I know where I'll be, I'll make this confession
Back in her bed for another goddamn session

Session, I'll never learn
Session, God knows I try
Session, keep coming back for session and I don't
know why
Session, I'll never learn
Session, I'll never see
Session, just tell me why these sessions got a hold
Gotta gotta hold on me
