I'm seeing this girl and she just might be out of her  
mind  
Well she's got baggage and it's all the emotional kind  
She talks about closure and that validation bit  
I don't mean to be insensitive, but i really hate that shit

Oh man she's got issues and I'm gonna pay  
She thinks she's the victim yeah

Now I know she'll feel abandoned  
If I don't stay over late  
And I know she's afraid to commit But it's only our  
second date

Oh man she's got issues and I'm gonna pay  
She thinks she's the victim  
but she takes it all out on me

I don't know why you're messed up  
I don't know why your whole life is a chore  
Just do me a favor  
And check your baggage at the door  
Now she talks about her Ex nonstop but I don't mind  
But when she calls out his name in bed that's where I  
draw the line  
You told e a hundred times how your father left and  
he's gone  
But I wish you wouldn't call me daddy When we're  
gettin' it on

Oh man she's got issues And I'm gonna pay  
She's playing the victim and taking it all out on me  
My god she's got issues and I'm gonna pay

If you think I'm controlling  
then why do you follow me around  
If you're not co-dependent  
then why do you let others drag you down

I don't know why you're messed up  
I don't know why your whole life is a chore  
Just du me a favor

And check you baggage at the door
