Maybe life is like a ride on a freeway  
Dodging bullets while you're trying to find your way  
Everyone's around, but no one does a damn thing  
It brings me down, but I won't let them

If I seem bleak, well, you'd be correct  
And if I don't speak, it's 'cause I can't disconnect  
But I won't be burned by the reflection  
Of the fire in your eyes

As you're staring at the sun, whoa  
As you're staring at the sun, whoa  
As you're staring at the sun, whoa  
As you're staring at the sun  
As you're staring at the sun

Hey, when I ran I didn't feel like a runaway  
Hey, when I escaped I didn't feel like I got away  
Hey, there's more to living than only surviving  
Maybe I'm not there, but I'm still trying

Though you hear me, I don't think that you relate  
My will is something that you can't confiscate  
So forgive me, but I won't be frustrated  
By destruction in your eyes

As you're staring at the sun, whoa  
As you're staring at the sun, whoa

Hey, when I ran I didn't feel like a runaway  
Hey, when I escaped I didn't feel like I got away  
Hey, there's more to living than only surviving  
Maybe I'm not there, but I'm still trying
