On the way  
Trying to get where I'd like to stay  
I'm always feeling steered away  
Someone trying to tell me what to say and do?

I don't want it  
I gotta go find my own way  
I gotta go make my own mistakes  
Sorry man for feeling feeling the way I do

Woh yeah, woh yeah  
Open wide and they'll show you their meaning of life  
Woh yeah, woh yeah  
Not for me, I'll do it on my own

Woh yeah, woh yeah  
Open wide and swallow their meaning of life  
Can't make it work your way  
Thanks but no thanks, woh

By the way  
I know your path has been tried and so  
It may seem like the way to go  
Me, I'd rather be found trying something new

And the bottom line  
In all of this seems to say  
There's no right and wrong way  
Sorry if I don't feel like living the way you do

Woh yeah, woh yeah  
Open wide and they'll show you their meaning of life  
Woh yeah, woh yeah  
Not for me, I'll do it on my own

Woh yeah, woh yeah  
Open wide and swallow their meaning of life  
Can't make it work your way  
Thanks but no thanks

Woh yeah, woh yeah  
Open wide and they'll show you their meaning of life

Woh yeah, woh yeah  
Not for me, I'll do it on my own

Woh yeah, woh yeah  
Open wide and swallow their meaning of life  
Can't make it work your way  
Thanks but no thanks, woh
