I am the one your help I've refused
Your offering hand just set off the fuse
Oh I am the one that pushes away
I gave up tomorrow despite today and

Too proud to beg
Too stubborn to try
I look in your face
And spit in your eye

But I'm willing to find what's really inside
And show I am strong enough to

Trust in you [x3]
Pull me up
Quo modo (shadow to the light)
Quo modo (shadow to the light)
Quo modo (pull me up)
Pull me up
Cuz I am ready

I am the one who blames only you
The flame in my eye now blackens my view
Oh I am the one who wanders alone

Darkness inside blocks how you've shone and

Who tied the other end of my rope?
I wanna move on I wanna have hope
So I'm willing to change
I'm going to try
To show I am strong enough to

Trust in you [x3]
Pull me up
Quo modo (shadow to the light)
Quo modo (shadow to the light)
Quo modo (pull me up)
Pull me up
Cuz I am waiting

Strong enough to

Trust in you [x3]
Pull me up
Quo modo (shadow to the light)
Quo modo (shadow to the light)
Quo modo (pull me up)
Pull me up
Cuz I am ready
