

Offspring "Vultures"

Visit "[Vultures](#)" on [MotoLyrics.com](#)

Now I could lie by your side
All serrated for you
Down below, cancer grows
Weepin' waits inside you too

Now all our rage begs a stage
It's a waste of time though
And your style seems worthwhile
But this lonely road has turned

(Oh)
And you faded there
(Oh)
They pretend to care
(Oh)
Vultures waitin'
If you don't like me
Certify me

(Yea)
I don't know yea
(Yea)
I won't go yea
(Yea)
Save it, I'm okay
Okay

And in the sun, a loaded gun
Makes for conversation
All the while in denial
It's too late for me to change

(Oh)
And you were unchained
(Oh)
Nothing more had changed
(Oh)
I could fake it
If you still hate me
Confiscate me

(Yea)

I don't know yea
(Yea)
I won't go yea
(Yea)
Save it, I'm okay
Okay

(Yea)
I don't play yea
(Yea)
Go away yea
(Yea)
Save it, I'm okay
Okay

(Oh)
And you were unchained
(Oh)
Nothing more had changed
(Oh)
I could fake it
If you still hate me
Confiscate me

(Yea)
I don't know yea
(Yea)
I won't go yea
(Yea)
Save it, I'm okay
Okay

(Yea)
I don't play yea
(Yea)
Go away yea
(Yea)
Save it, I'm okay
Okay
