When you're in prison, don't turn the other way  
Keep your back against the wall  
When you're in prison, don't turn the other way  
Do not bend at all

Oh, don't pick up the soap, pick up the soap  
It's bad for you  
Oh, don't pick up the soap, pick up the soap  
Someone will be waiting there for you

When you're in prison, be sure to stay awake  
Always lie upon your back  
When you're in prison, be sure to stay awake  
Keep you from attack

Oh, don't be no one's bitch, be no one's bitch  
It's bad for you  
Oh, don't be no one's bitch, be no one's bitch  
They won't help you make it through

When you're in prison, don't turn the other way  
Follow what I say to do  
When you're in prison, don't turn the other way  
You can make it through

You can make it through  
You can make it through
