Ballroom scene, but the fire underneath.
Gonna eat you alive,
Gonna bring you to your knees.

Went out drinking late last night,
I had a blast.
But now the morning light has come
and kicked my ass.

I've got the worst hangover ever
I'm crawling to the bathroom again
It hurts so bad that I'm never gonna drink again

And by my seventh shot I was invincible
I would have never thought I'd be this miserable

I've got the worst hangover ever
I'm rolling back and forth on the bed
I'm worked so bad that I'm never gonna drink again

Won't someone just kill me?
Put me out of my misery
I'm making deals with god
I'll do anything

Make it stop please!
Make it stop please!

Make it stop please!
Make it stop please!

I've got the worst hangover ever
I'm crawling to the bathroom again
It hurts so bad that I'm never gonna drink again

I'll probably never drink again
I may not ever drink again
At least not til next weekend

I'm never gonna drink again
