[verse]

Sitting here, daydreaming about you  
Oh, everything we had, wish I could get it back  
'Cause if it ain't you then I don't want it  
And if it ain't you then it ain't for me  
I can see your face whenever I am sleeping  
But it hurts when I realize I am dreaming

[chorus]

So if I can't have you  
I'll just be single for the rest of my life  
Cause you can't be replaced by nobody else  
I'll go crazy if I can't have you for myself  
If I can't have you  
I'll just be single for the rest of my life  
I've decided that nobody can compare to you  
There's nobody that can make me feel the way you do

[Verse]

There've been a few who've tried to take your place  
I've been on many dates, still it just ain't the same  
If it's not a letter sent from you then I don't read it  
If it's not a gift sent from you then I don't need it  
I've been longing just to find somebody like you  
But nobody can do it quite like you

[Repeat chorus]

[verse]

I took your pictures off the wall  
that didn't seem to help at all  
So I'ma put it out there I'ma let you know  
if you need to rest your head you can come back home  
I thought that I could live without your love you know I  
tried  
but I feel incomplete when I don't have you in my life  
so I'ma put it out there I'ma let you know

if you need to rest your head you can come back home

[repeat chorus 2x]
