We have changed  
There's really no one  
Who should be blamed  
We just grew apart  
We didn't plan this  
From the start

We should turn around  
Keep walking away  
But there is something  
That makes me stay

I believed I could  
Be the one for you  
Someone who is right and true  
It took some time to see  
Now I've realized  
It's not me

Please tell me  
Will I ever find love again  
Will I find someone  
Who will restore my faith in love

Should I turn around  
Keep walking away  
But there is something  
That makes me stay

I believed I could  
Be the one for you  
Someone who is right and true  
It took some time to see  
Now I've realized  
It's not me

Life has twists and turns  
Never lose your faith  
We try to work it out  
Figure it out  
A mystery my friend

I believed I could  
Be the one for you  
Someone who is right and true  
It took some time to see  
Now I've realized  
It's not me  
I believed I could  
Be the one for you  
Someone who is right and true  
It took some time to see  
Now I've realized  
It's not me
