I don't wanna say goodbye to this  
Let forever be right now, here in this kiss  
I never thought we'd come this far

I live, I breathe, it's so unreal  
You open up my heart

It's unbelievable  
But here we are tonight  
Suddenly I'm heading for the best day of my life  
Standing here with you  
So beautiful  
I can't believe it's true  
It's unbelievable

I don't wanna say goodbye to you  
Everything I feel inside is shining through  
I'm ready for a brand new start

I live, I breathe, It's so unreal  
You open up my heart

It's unbelievable  
But here we are tonight  
Suddenly I'm heading for the best day of my life  
Standing here with you  
So beautiful  
I can't believe it's true  
It's unbelievable

Let tomorrow wait, we are here right now  
I've been waiting for this moment all my life  
This is meant to be, you can't run from your fate

It's unbelievable  
But here we are tonight  
Suddenly I'm heading for the best day of my life  
Standing here with you  
So beautiful  
I can't believe it's true  
It's unbelievable
