One day you gone see it (eh) I cant help but feel that I  
can be the worlds greatest (be the worlds greatest) Yes  
took a while to get here and I aint going nowhere till I'm  
the worlds greatest (Im the worlds greatest, Est)

Issa

At the beginning stages of my life and I already know  
how its gone end and I wont stop till my great, great,  
great, great, great, great grandkids got money to  
spend. Huh now thats a lot of money there my friend so  
that mean i gotta get it in so ima work hard and ima  
live large and i aint stoppin till my body merked off and  
even when im gone my music gone live long and ima  
live right cause i dont wanna be dead wrong. My dad  
been trainin me since i was nine years old so sit back  
and let my music stick inside your soul.

Chorus

One day you gone see it (eh) I cant help but feel that I  
can be the worlds greatest (be the worlds greatest) Yes  
took a while to get here and I aint going nowhere till I'm  
the worlds greatest (Im the worlds greatest, Est)

Issa

(Uh) I hit the studio to catch a vibe cause this is where I  
feel most alive some say I got lucky I tell em it was  
God, God blessed me wit the grand prize. A new babys  
born when every man dies, I wonder what man died  
when I came alive thats one of the crazy things that  
goes across my mind I dnt know I was bred from a  
different kind I got em studying my star quality they  
wanna study a star like astrology but they can study all  
they want they still aint hard as me Im workin overtime  
they aint workin hard as me

Chorus

One day you gone see it (eh) I cant help but feel that I  
can be the worlds greatest (be the worlds greatest) Yes  
took a while to get here and I aint going nowhere till I'm  
the worlds greatest (Im the worlds greatest, Est)

Issa

Either way you put it I am here now. You can tell by how  
im rappin ima be here awhile get used to my name Issa  
gone and say it now man it feel good to make your  
parents smile whole family proud hands up in the

crowd everybody screamin loud everybody screamin  
loud thats all because of the words im screamin out my  
mouth...wow thats amazin it could be cause of the  
name my momma gave me but I can see into the future  
like nostradamus walkin across the stage at the hip hop  
honors as they honor me for bein one of raps finest

can be the worlds greatest (be the worlds greatest) Yes  
took a while to get here and I aint going nowhere till I'm  
the worlds greatest (Im the worlds greatest, Est)  
It was all a dream, main reality now im holdin on never  
letting go (ooohohoh) cause you cant stop me and now  
that im here im here to stay (here to stay hey ey e ey)  
One day you gone see it (eh) I cant help but feel that I  
can be the worlds greatest (The greatest, be the worlds  
greatest, oh oh oh ooh) Yes took a while to get here  
and I aint going nowhere till I'm the worlds greatest oh  
(Im the worlds greatest, Est) yeah, yeah
