œAll That Matters
œWhen all is said œ~œ™ done
Youœ™ re only worth what you have wonœ
Said my friend
But œ™ ve lost so many things
Unstable things thœ™ future brings
I said
œWhen all is said œ~œ™ done
If you loved youœ™ ve wonœ

Well youœ™ ve got a new nose job
Dress like a slob
Workinœ™ œ~ard tœ™ make things wrong
Make your money
Taste like honey
But that all gets erased
When you are in thœ™ grave
Love holds thœ™ only worth

œWhen all is said and done
The sunshine can weigh out the gunœ
Said my dad
But menœ™ ve shot thœ™ sun with hate
Then sit arounœ™ œ~œ™ negate
That God said
œWhen all is said œ~œ™ done
If you loved youœ™ re my sonœ
