There's a monster in this deep dark cave
But there's a light at the end of this maze
So I'll push on and fight fight fight
Throughout all this hopeless night

Ya see, whenever trouble comes my way
I just have to say
"You don't really scare me
I'll take you on and reach my destiny!"

There's a rich man that controls my smile
That I'll take back for just a little while
Then I will see that I am strong
Just try and stop me now, sir!

Black and blue
I look just like you with your scars
You're rough with time and what it brought
But, you can't teach me music
Music teaches you
You can't be my Jesus
'cause Jesus will show you
That love punches pretty hard
It's never too late
Never too late to smile
Chill bro
Stop slapping and using your power
It's all very sour
Love, grumpy, indifferent! shoot!
