t'hell with popularity
i'm a-seein' with clarity
you won't suck my brain out
i'll scream 'n' i'll shout!
i've seen you eat my friends
go somewhere with those trends
i won't be jus' another man
won't be a part of your plan

zombies here 'n' there
zombies ev'rywhere
zombies 'ere 'n' there
zombies ev'rywhere

girlies with moustaches on face
unicorns a-flyin' in space
twilight comes 'n' you hear a ROAR!
ukulele boy gimme more
a dead bride falls in love
music makes you push 'n' shove
green cigarettes puff out tweets
makes me hide b'neath my sheets

north face of th' mountain
put your wishes in this fountain
you are anti-gay
put down your guns there's another way
swallow down that sickly stuff
i have had jus' about enough
paint your mask of insecurity
can't ya see you're pretty?

skateboards 'n' tatertots
schoolboards 'n' ceramic pots
big kid hits th' little one
they all think it is fun
he goes home 'n' kills himself
there was knife up on th' shelf
took it down 'n' sliced his arm
an artist from a tobacco farm

â€œthey strippâ€™ d you of your skin

paintâ€™d you up â€˜nâ€™ they tear you down
whatâ€™s beauty now?
youâ€™ve got thâ€™ boys
â€˜nâ€™ lots of nasty toys
whatâ€™s beauty nowâ€”
