Oh here we go

Don't stop the beating  
my heart won't stop for you  
Just keep repeating  
Jus take my heart

I found faith  
Show me emptiness  
I cant fake, show me your faith  
Show me your face

This time won't be the last time  
The last time I won't be afraid  
Of you

I prayed all my life  
I prayed all this time  
My god my god  
Noo

This won't be the last time  
This won't be the last time

Oh my god

Wake up now  
Wake up now (I am the ghost)

I can take all your soul this is the end of time

Back up for me

The last time

Afraid of you

This time wont be the last time (the last time) i wont be  
afraid of you
