{verse1}

I pitched you in my hall of fame  
when I'm in the dark, you are a beautiful ray  
I found you a solace, bliss in a friend is all am reaping  
when am with you  
when am with you  
when am with you  
when am with you  
I think am in heaven  
when am with you  
when am with you  
when am with you  
when am with you  
I think am in heaven  
your smiling, turns me on, makes me strong, keeps me  
warm  
your smiling, turns me on, makes me strong, keeps me  
warm  
your smiling, turns me on, turns me on, turns me on

{chorus}

with you, with you, with you, with you, { I'm in heaven}  
you, with you, with you, with you, { I'm in heaven}  
you, with you, with you, with you, { I'm in heaven}  
you, with you, with you, with you I'm in heaven

{verse2}

I kept you in my sacred place  
you enthuse my life in every beautiful way  
you are as lively as a champagne  
you endorsed a humor, rouse a lovely feeling  
when am with you  
when am with you  
when am with you  
when am with you  
I think am in heaven  
when am with you  
when am with you  
when am with you  
when am with you  
I think am in heaven

your smiling, turns me on, makes me strong, keeps me  
warm

your smiling, turns me on, makes me strong, comforts  
your smiling, turns me on, turns me on, turns me on

{chorus}

with you, with you, with you, with you, { I'm in heaven}

you, with you, with you, with you, { I'm in heaven}

you, with you, with you, with you, { I'm in heaven}

you, with you, with you, with you I'm in heaven
