You know that you were my collection  
and addiction out of style  
all these words you said to me  
you know they mean so much  
all these words you said to me  
you know they mean too much to me

you were nothing but a style  
I wish I could believe that lie

you were my collection  
an addiction out of style  
you were my collection  
an addiction out of style

all these memories see right through you to me  
I keep losing sleep cause the words you failed to say  
looking back at mistakes you were wrong  
should have seen this coming all along  
no days I could take  
no months I could spend at your waste  
oh, you'll never know  
oh, you'll never know

you were my collection

you were my collection  
and addiction out of style

you have the crown my only beautiful  
cause tonight we dance on dead men's stones  
you have the crown my only beautiful  
my only beautiful  
casue tonight we dance on dead men's stones

I don't believe that your losing sleep over  
I don't believe that your losing sleep

over

I don't believe that your losing sleep
