I believe it's time for me to be famous  
and out of place  
I believe it's time for me to move forward  
when I break through

this time I'll make you  
proud to see me over  
come on day life  
proud of who you raised up  
your shelter your peacefulness

so this time I'll make you proud

proud of who you raised up  
you know that I will  
always be here till the end

come back  
so i can say thankyou for this  
home cooked meals and a place  
to rest my troubled head when your away  
I've passed the test, I've earned an A  
not just school but in life  
you'll always be right by my side  
to help me show hope to all  
that are lost and sick in this dying world  
I'll use the love you left behind,  
I'll change their minds  
I'll change their minds

I hope, I hope you smile  
when you look down on me  
I hope you smile  
this can't, we won't know  
I hope that I make you proud

this is not what it is only baby scars  
I need your love, like a boy needs his mother's side  
this is not what it is only baby scars  
I need your love like a boy needs his mother's side

this is not what it is only baby scars

I need your love like a boy needs his mother's side
