Daddy said, daddy said go out and make me proud
if only he could see the way you've turned out now
come on baby, and see the words you want from me
believe cause I'm the one who wrote this song

if I could turn back time and read your mind
besides these dice and cars I'm just another game

if you could live forever
you'd still wanna be a one night stand

you can walk on cause I'm leaveing
goodbye to you and everything
you can walk on cause I'm leaving
goodbye to you and everything

look at the mess and mistakes you've made
heroes, yeah I will remain
look at the mess and mistakes youve made
heroes yeah I will reamin
I won't be another notch on bedpost sheets
I won't be another notch on bedpost sheets

you tried to test me and you failed
I'll stay the course, I'll stay the course
I'll hold my head up high
another misread lullaby
I won't be misread again
I won't be here waiting goodbye to you, goodbye

you can walk on cause I'm leaving
goodbye to you and everything
you can walk on cause I'm leaving
goodbye to you and everything

you wrote the book
you wrote the lies
so take this forever

we wrote the book
you wrote the lies
so take this forever

forth in writing oh my god
forth in writing oh my god
oh.my.god.

so press on baby, you've never seemed so fake
just give me something thats real again
