Here in this world I'm awaked with mistakes  
But it's love that keeps fueling me, fueling me  
Pretty little lady  
With swollen eyes, would you show them to me?  
I know I'm not that perfect, but just stay a while  
Baby, then you will see

Miles away  
I can still feel you lay your head down on my embrace,  
my embrace  
Far away

Pretty little lady  
With swollen eyes would you show them to me?  
I know I'm not that perfect, but just stay a while  
Baby, then you will see

Don't give up, baby  
I know that it's shaky, just let love consume us, 'sume  
us.

Here in this world I'm awaked with mistakes  
But it's love that keeps fueling me  
Fueling me to love you

Miles away  
I can still feel you lay your head down on my embrace  
Be not afraid to love me

Pretty little lady  
With swollen eyes, would you show them to me?  
I know I'm not that perfect, but just stay a while  
Baby, then you will see
