Here in this world I'm awaked with mistakes
but it's love that keeps fueling me, fueling me.

Pretty little lady with swollen eyes
would you show them to me?

I know I'm not perfect
but you stay a while
baby then you will see.

Miles away I can still feel you lay
your head down on my embrace, my embrace.
Far away

Pretty little lady with your swollen eyes
would you show them to me?

I know I'm not that perfect
but you stay a while

baby then you will see.

Don't give up baby
I know that it's shaky.
Just let love consume us, consume us.

Here in this world I'm awaked with mistakes
but it's love that keeps fueling me, fueling me
to love you.

Miles away I can still feel you lay
your head down on my embrace.
Be not afraid, to love me.

Pretty little lady with your swollen eyes
would you show them to me?

I know I'm not that perfect
but you stay a while
and baby then you will see.
