While Olivia and Morgan sang Where is the love

We all had a lot of fun  
Now it is all done  
There were a lot of special relationships  
That went in a flash like a packet of chips

We sang a song called lifetime  
Which we sang all the time

7A AND 7B  
We went together like a door and a key  
Some of us will stay together  
Some of us will drift apart  
We may change like the weather  
or go back to the start

Yeah 7A and 7B  
We just said hi  
Now weâ€™re saying goodbye
