My love do you ever dream of
candy coldin rain drops
you're the same, my candy rain

Have you ever been stuckin around feeling lost
with nowhere to go but you never want us turn around
and notice me standing so cold
could've been your umbrella-ella-ella-ella eh eh eh eh
we could've been with each other, other other eh eh eh
eh, ehhh

My love, my love,
do you ever dream of
candy coldin rain drops
you're the same, my candy rain

I wonder if you dream of me
and I'll wait when you're sleep
I never thought to find someone
who really cares for me
I love the way they stop instead
they gotta know, they think they find me with you
'cause you are

My love, my love,
do you ever dream of
candy coldin rain drops
you're the same, my candy rain
you're the same, my candy rain

You're the same, my candy rain
You're the same, my candy rain
You're the same, my candy rain

You're the same, my candy rain
and don't you change

2 x
My love, my love,
do you ever dream of
candy coldin rain drops

you're the same, my candy rain
you're the same, my candy rain

Hey oh, hey oh, hey oh,
and you're the same candy rain
