I was sent out yesterday  
Just singing my life away  
Thinking Âbout good times  
CouldnÂt make up my mind  
I wish Âem for a better day  
I need to find a happy home  
Âcause I canÂt do this on my own  
Since youÂre by my side  
IÂll be down to ride  
Untill the day IÂm dead and gone

Âcause I canÂt and I wonÂt  
I wonÂt be without you be without you baby

IÂm walking these lonely roads  
My love for you is shown  
I give you my heart and soul  
As if I never see you again  
I know things could have been  
Easy as your friend  
But IÂll never give up on you  
If nobody loves you I do

Everybody had their doubts  
Wanted me to walk away  
Said that you will do me wrong  
And soon IÂll be coming home  
But instead I chose to fight  
Âcause I waited all my life  
For you to come my way  
And stay  
I canÂt I canÂt and I wonÂt I wonÂt  
Be without you be without you

IÂm walking these lonely roads  
My love for you is shown  
I give you my heart and soul  
As if I never see you again  
I know things could have been  
Easy as your friend  
But IÂll never give up on you

If nobody loves you I do

I do I do I can't I can't be without you

I'm walking these lonely roads

My love for you is shown

I give you my heart and soul

As if I never see you again

I know things could have been

Easy as your friend

But I'll never give up on you

If nobody loves you I do

'Cause I can't (I can't) and I won't (I won't)
