I was fucking out the street then I came across the
dime
somebody have dropped it it don't matter now it's mine
that body is a bang girl,
I could tell by the way you're walking in the danger
some gotta take you home

'Cause girl you turn me, turn me gi-girl you turn me
turn me, girl you turn me, you turn me on

Chorus:

Girl that booty so retarded I just call you radio
they gonna play this play, this play, this play the song
the radio
uhh, radio, uh radio,
girl your booty so retarded I just call you radio
Girl that booty so retarded I just call you radio
they gonna play this play, this play, this play the song
the radio
uhh, radio, uh radio,
girl your booty so retarded I just call you radio

If you say you graduated at the top for your class
then you went to college now you got this mine
I know you wanna roll so shawty let's go
what you hesitate and waiting on
you say your name is Bianca
I'ma just call you radio
even if it's Keisha I'ma call you radio
girl are you a keeper
I don't know why he let you go
I just wanna turn you up up like my radio

That body is a banger,
I could tell by the way you walk em in the danger song
gotta take you home

'Cause girl you turn me, turn me gi-girl you turn me
turn me, girl you turn me, you turn me on

[Chorus:]
