Honeymoon in San Francisco, what a grand idea.  
We'll rent a room in a four-star hotel  
We'll spend the whole time drunk on champagne and  
lime  
We'll never feel the need to get out of bed, though on  
occasion we'll charter a boat sail off to a distant island  
Once there we'll take off our shoes and relax beneath  
the sun  
We won't care if we lose our minds  
We won't care if we live or die  
We'll spend the whole time drunk on champagne and  
lime  
We won't care if we lose our minds
