I don't wonder why I love you I don't have to know. It's  
just so. I adore you  
from your head down to your baby toe. It's just so.  
Sometimes I get scared and  
hesitate because it seems strange to be an intimate. It  
makes me uncomfortable  
but I'll get used to it. I don't want to hide it now I need to  
let it show. It's  
just so. When you hold me close I feel a warm and  
happy glow. It's just so.  
Sometimes I'm unsure if you're the one or my best  
friend who I'm clinging to. My  
feelings change so quickly so I'll trust you to lead me
