I saw your movie tonight  
I thought you were pretty good  
I'm so happy that you're doing  
What you want to

You go to your favorite dark place  
Think about the auto-da-fÃ©  
Unicorns eating baby meat  
There's a dragon rape if you want one  
One's the loneliest number

Smoke hood Melion  
Female erection  
You fetishize the archetype  
You fetishize the archetype

Don't treat me like a tourist  
Let's stay high on a negative wave  
And paint it black  
Just like the good times

Don't treat me like a tourist  
Let's stay high  
They break our hearts like it's our birthdays  
Soak us in animal blood

I want somebody to frisk me  
I want this night to distort me  
But I didn't come here  
Just to see you dancing

Now, won't you admire your art?  
Or try and cure your androphobic heart  
Anyways, I'm crippled inside

Don't treat me like a tourist  
Let's stay high on a negative wave  
And paint it black  
Just like the good times

Don't treat me like a tourist  
Let's stay warm like [Incomprehensible]

And paint a [Incomprehensible] in our hands again  
When we were passengers

Don't treat me like a tourist  
Lets stay high  
They break our hearts like it's our birthdays  
Soak us in animal blood
