My, my
You've busted me
Like a robo-cop
Strike me
With your riding crop
I'm forever going celibate, tomorrow
Tonight like success knows no shame
Oh, no she's a rejector-
I must protect myself
There's the girl that left me bitter
Want to pay some other girl to just walk up to her
And hit her
But i can't, i can't, i can't
I can't, i can't

My, my
This demon heart
Of the master's hand
Crush me-
Why, i don't understand
And i know you're not her
Cause the girl of my dreams
Is probably god,
Still i want you

Oh, no she's a rejector
I must protect myself
There's the girl that left me bitter
Want to pay some other girl to just walk up to her
And hit her
But i can't, i can't, i can't, i can't i can't
I can't just hit her,
No, no, no, no, no
I want to but,
I can't, i can't, i can't

No, i can't, i can't i can't
No, no, i can't, i can't, i can't
