It's just past Sunday maybe Monday there's an  
answer

Coming down this ocean boulevard we stand.  
A moment spoke beyond the miracle and free from  
many reasons  
One last time to live again

HEY, HEY

It's 5pm here on this island Argentina girl  
I took her hand and asked her how she knew  
We stuck around and watched the sunset on the beach  
Sat Indian style just sat and watched the sun fall

Eye to Eye  
With you Nala  
Once we finally got alone  
We made Love under the moonlight  
Our Good  
Love Sweet Love  
Our Love

Till 3 am we hit the bars my Argentina girl  
Would take my hand and ask me what is wrong  
A second notion picture that I had to kiss her  
On the dock that sat along the ship port bay

What a night with you Nala  
On a West Atlantic Key  
She would follow me back home  
Eye to Eye  
With you Nala  
Once we finally got alone  
We made Love under the moonlight  
Our Good  
Love Sweet Love  
Our Love

The morning came to fast just one last time to kiss my  
love  
Goodbye farewell I'll miss your love goodbye  
A tender moment in the moment

with that one night Argentina girl I'll never see  
again

Eye to Eye  
With you Nala  
On a West Atlantic Key  
Say goodbye you'll be alright  
What a night with you Nala  
In a place I call my home  
We made love under the moon  
Say goodbye to me Nala  
On your way back to your home  
On your way back to your home  
That Love  
Our Good  
Love Sweet Love  
Our Love
