I'll wait here for you for I'm broken down.
I'm coming down this time for my heart lies
Far and away where they took you down.
Let them over to your house
Where I'm broken.

Down by the people if they let you breathe
Don't give a damn if you still can't see,
Still my heart beats for you...

...have become
All I lost and all I hoped for.
But I must carry on
Always one
Never broken.

Run to the lobby where I saw you try,
Don't give a damn for your reasons why,
Where soul feels.

Down in the valley where the church bells cry,
I'll lead them over to your eyes
Whoa, oh, I am one, I am one

Break story of peace and love in a future
Pride,
Sacrifice
Came around
Never broken

Down by the people if they let you breathe,
Don't give a damn if you still can't see.
Traveling a street that I did not go
Wheels lightened to the winter load.

Down in the valley where the church bells cry,

I'll lead them over to your eyes!

Whoa, oh, I am one

Whoa, oh, I am one

I am one.
